Marketing graduate with international experience in campaign planning, market research, and project coordination. Combining creative thinking with emerging technologies, I quickly adapt to new tools and leverage AI-assisted workflows to enhance the efficiency of research, content creation, and execution.

Education

Hong Kong Baptist University | Hong Kong Sep 2025 - Jul 2026

Master of Science in Marketing for the Creative Economy | GPA: 3.45/4.00

- Developed practical experience in digital marketing strategy and campaign execution, applying research-driven approaches to understand audiences and improve communication effectiveness.
- Strengthened analytical skills through market research and data interpretation, transforming insights into actionable marketing recommendations with the support of AI-assisted tools.

York University | **Bachelor of Commerce |** Toronto, Ontario, Canada Nov 2021 - Feb 2025

- Built a broad foundation across marketing, finance, operations, business statistics, information systems, and organizational behavior through York's multidisciplinary curriculum.
- Applied business concepts through teamwork in multicultural settings, strengthening problem-solving, communication, time management, and the ability to evaluate decisions from multiple perspectives.

Internship Experience

Zhong Zi (Beijing) Private Equity Fund Management | *Investment Assistant* Mar 2025 - May 2025

(Affiliated with China International Engineering Consulting Corporation)

- Conducted industry research and prepared strategic analysis reports on emerging technology sectors, including quantum computing, evaluating market trends, business potential, and development opportunities to support comprehensive project assessment and strategic decision-making.
- Supported a low-carbon bamboo fiber materials project by coordinating with corporate stakeholders and government departments, facilitating investment discussions and business meetings with Fujian partners.

Yueqing Mango Dance Training Co., Ltd | *Marketing Analyst Intern* May 2023 - Aug 2023

- Supported digital marketing campaigns through content planning, social media coordination, and offline event execution, helping strengthen brand visibility and improve audience engagement.
- Analyzed customer feedback, enquiries, and campaign responses to identify audience preferences, evaluate marketing effectiveness, and provide actionable insights for future marketing initiatives.

Academic Projects

Hong Kong Dance Company | *Marketing Proposal Team Lead* Dec 2025 - May 2026

- Led a team to develop an omnichannel marketing proposal for a touring production, conducting audience research and analyzing data to identify customer segments and refine campaign strategies.
- Proposed cross-brand collaborations with F&B partners and social platforms, developing co-branded initiatives to enhance audience reach and strengthen campaign effectiveness through strategic planning.

Play Forever Market Analysis Project | *Proposal Planner* Jan 2024 - Apr 2024

- Collected and analyzed Toronto market data, generated digital marketing insights, and proposed community outreach strategies to increase awareness and engagement among low-income families.
- Assessed operating context as a community-based nonprofit serving underserved families, considering accessibility, resource constraints, and social impact when developing outreach recommendations.
